

**Zahra made this beautiful  
bird feeder. Well done  
Zahra!**

Do we have your email address and the correct telephone number?

It is important we have up to date contact details for all parents & carers. Please email [admin@rpa.bfet.uk](mailto:admin@rpa.bfet.uk) with your child's name and class then we can add your email address to the system.

Data collection sheets will be coming home with all children in October, it is very important you check the details held and return the form to school.

Would your family like to have the school guinea pigs to stay for the weekend?

Colin, Percy and Idris live in the EYFS classes during the week but at the weekend families from across the school can have them to stay. If you would like to have them please let Mrs Murphy know and she will put your name on the waiting list and let you know when it's your turn.

The photographer will be in school on Wednesday 20<sup>th</sup> October for individual photos. Sibling photos will be taken in the Summer term. More details will follow shortly.

# ParentPay

If you have not yet activated your ParentPay account, please see the office staff to get your log in details. This will allow you to pay for meals, trips etc. online. Letters have been sent to all parents who have not yet activated their accounts. We are unable to accept any cash payments at the office moving forward, all payments must be made via ParentPay.

If you think you may be entitled to Free School Meals, please visit <https://www.cloudforedu.org.uk/ofsm/sims>

or alternatively, collect an application form from the office.

School meals are £11 per week payable in advance on ParentPay. If your child wishes to swap their meal pattern we require one weeks notice.

## Social Media Age Restrictions

The majority of parents across the country don't know whether their children are old enough to be using social networks.

Shockingly, 1 in 5 parents think that there are no age requirements at all for social media.

Some sites can be a dangerous place for younger children, potentially exposing them to bullying, inappropriate content or grooming. But they can also provide important support networks for younger people.

It's vital that social media companies make age restrictions clearer on sign up pages, so that younger people and parents can be confident using social networks safely.

## Social Media and Gaming Apps Age Restrictions
